

The Royal Boston Hotel, Blackpool – A new Northwest hotel joins Compass Hospitality Group Portfolio

Compass Hospitality Group is delighted to announce the addition of The Royal Boston Hotel, situated on the prestigious Queen's Promenade in Blackpool, to its distinguished collection of properties. Nestled in one of the UK's most cherished seaside destinations, The Royal Boston Hotel combines timeless elegance with contemporary comfort, offering breathtaking views of the Irish Sea and convenient access to Blackpool's lively attractions.

The Royal Boston Hotel welcomes guests into 78 comfortable en suite bedrooms. These thoughtfully crafted spaces marry modern conveniences with seaside-inspired decor, promising a restful escape that enhances every stay along the coast.

Guests can enjoy a hearty full English breakfast each morning, and in the evening, the on-site restaurant serves a set dinner menu featuring classic British favourites. The lounge offers a cozy spot to unwind, while the bar provides a relaxed setting to enjoy a drink—with views of the sea adding a scenic touch, especially at sunset.

Blackpool's vibrant appeal enhances the hotel's allure. Guests are just steps away from iconic landmarks like the Blackpool Tower and Pleasure Beach, as well as the serene Stanley Park and the bustling promenade, making The Royal Boston Hotel an ideal base for exploring this dynamic coastal town.

Harmil Singh, CEO and President of Compass Hospitality, shared his enthusiasm for this new addition, stating, "We are pleased to welcome The Royal Boston Hotel to Compass Hospitality. Its location on Blackpool's Queen's Promenade, combined with its well-appointed facilities, supports our commitment to delivering quality hospitality experiences. This acquisition further strengthens our presence in the UK, and we look forward to continuing our expansion while providing excellent service to our guests."
